

Sign-Up Ettiquitte

Please note that programs requiring advance sign-up have limited space and supplies. If you register but are no longer able to attend, we kindly ask that you cross your name off the sign-up sheet as soon as possible. This allows those on the waitlist to be notified and gives someone else the opportunity to participate.

If you have not signed up in advance, please understand that space and supplies may be limited, and we may not be able to accommodate additional participants.

For programs or events that require advance payment or ticket purchases, participants are responsible for the cost even if they are unable to attend. Thank you for your understanding, consideration, and cooperation in helping us make our programs enjoyable and accessible for everyone.
